HEY KIDS! and to all Hayward FAMILIES

- PLEASE think about decorating your driveway and/or sidewalk with sidewalk chalk art! Let's WELCOME folks to our community on Sat. July 9th! All you need to do is grab your sidewalk chalk and create a welcoming message using bright cheerful designs. Let's show our visitors Community Spirit!

Summer's Here! SLOW DOWN Kids at Play!

Dogs must be leashed while walking; please pick-up & dispose of droppings. Thank you!

PARKED VEHICLES

All parked vehicles must have current license tabs/registration – it's the law. Open storage of unregistered or inoperable motor vehicle(s) is prohibited.

Never blow grass clippings on the street or in the alley. When mowing, blow the grass clippings back to your yard. This is a Freeborn County mandate.

Looking for someone who would like to manage a Social Media page for the City of Hayward. If interested call Kathy at the city office!

PLEASE Consider this... we need you!

Hayward residents have asked for fun events & community beautification. The city, itself, cannot put on such events. Some cities have Park & Rec Departments, many smaller cities depend on volunteers. In the past the City of Hayward had the "Booster Club!" This club had fun while raising funds to provide special events for the community! The members are now retired. It's time for NEW members to step up! Some ideas could easily include:

Christmas Tree Lighting with Hot Chocolate/Cider and Caroling; Kiddy Carnival with Games & Crafts; Movie Night in the Park; Summer Concert in the Park; Easter Egg Hunt; Halloween Party; Flowers to beautify the downtown, this could include planting trees! (some of the ideas above have been suggested by residents)

The ideas are endless! Please contact Kathy at the City Office if you're interested in learning more! 507-373-1222 or cityofhayward@gofast.am

Create memories with your family while creating community spirit!
