

**CITY OF HAYWARD, FREEBORN COUNTY**

**STATE OF MINNESOTA**

**RESOLUTION 2023-29**

**FINDINGS OF FACT AND RESOLUTION APPROVING BRENDA HAHN'S REQUEST FOR A CONDITIONAL USE PERMIT ALLOWING A RESIDENTIAL HOME ON HER PROPERTY, 20475 810<sup>TH</sup> AVENUE, THAT IS LOCATED IN THE C-2 CENTRAL BUSINESS DISTRICT IN THE CITY OF HAYWARD, MINNESOTA, FREEBORN COUNTY**

**WHEREAS**, in 2018, the City of Hayward in Minnesota adopted the Minnesota Basic Code of Ordinances (MBC) in its entirety;

**WHEREAS**, the MBC is a book of ordinances, or laws, passed by council, that govern the City of Hayward and reflect current state statutes, case law, and rules that city government officials and residents must follow;

**WHEREAS**, in 2023 the city of Hayward began analyzing zoning issues in the city and found some zoning classification discrepancies;

**WHEREAS**, parts of the existing zoning map needed to be updated;

**WHEREAS**, it is necessary that Hayward's classification of zoning districts match the classification of zoning districts as written in the MBC;

**WHEREAS**, some of the city's zoning classifications are no longer accurate because they are old and do not match those in the MBC;

**WHEREAS**, the parcels that were affected are situated along a stretch of 810th Avenue and were classified as either Commercial (C) or Manufacturing (M) - Commercial must be zoned either C-1 Commercial Business District, *which does not allow for residential usage* or C-2 Commercial District, *which does provide for residential usage*. - any property with a Manufacturing classification must be changed as Manufacturing is not a zoning district identified in the MBC.;

**WHEREAS**, in each zoning district, permitted uses and conditionally permitted uses are listed - conditional uses require Special Use Permit(s);

**WHEREAS**, the Conditional Use Permit (CUP) process is designed to provide the City sufficient flexibility to determine whether a specific land use on a certain site will be compatible with its surroundings, the city's comprehensive plan and the zoning on adjacent parcels;

**WHEREAS**, in approving the CUP, the City Council had to find that the proposed use would not be injurious to the neighborhood or otherwise detrimental to the public welfare and would be in harmony with the general purpose of the zoning ordinance;

**WHEREAS**, through the process it is recommended that an applicant attend a city council meeting to address and inform council of intent to apply for a CUP and discuss city codes, regulations, items that may be of concern, and application submission requirements;

**WHEREAS**, in this case, the council itself initiated the CUP process;

**WHEREAS**, notice of the scheduled public hearing was mailed to all property owners within 350' of the subject

properties per Minnesota State Statute;

**WHEREAS**, legal notice was posted on the community bulletin board and published in the Albert Lea Tribune at least ten (10) days prior to the scheduled public hearing per Minnesota State Statute;

**WHEREAS**, on September 11, 2023, a Public Hearing was held (per statute) to discuss five residential homes that were located on land that had been zoned for either Commercial or Manufacturing purposes, and throughout the last 100 years or so, the needs of the properties at issue have changed;

**FURTHERMORE**, the MBC does not allow for homes to be located on property zoned as Commercial but permits a residential home property zoned as Commercial 2 as a conditional use; and

**NOW THEREFORE, THE HAYWARD CITY COUNCIL MAKES THE FOLLOWING FINDINGS OF FACT**

1. The Hayward City council rezoned five properties to C – 2 and the following property owner is granted a conditional use permit allowing a residential home on her property;
2. The Conditional Use Permit follows the land; not the home owner;
3. The following C-2 zoned parcel is granted a Conditional Use Permit which conditionally permits a residence on the parcel.
